

Welcome back to High Greenside Bed and Breakfast

We want you to know that we're doing our part to help our guests stay safe by cleaning and sanitising frequently touched surfaces more often (light switches, door handles, bannister rails, remotes, etc.) before you check in.

Please leave your outer footwear in the trays provided, and your coat is to be hung in the hallway. There are hand sanitisers in the entranceway, please use them on entering and exiting the property.

We deep clean the bedrooms and shower rooms after each guest leaves (if you would like to see our cleaning checklist please ask). To help keep us safe, please could you place the towels, sheets, pillowcases and duvet covers in the bags hung on the back of the door and tie the tops of your rubbish bags before you leave.

Unfortunately, for the time being we have to minimise contact between guest parties and ourselves 😞.

Breakfast will be served in the dining room, you will need to book a time slot (please don't arrive early or late) and order your breakfast choices the evening before so that I can have it ready for you. I will place your items on the adjoining table for you to collect.

Checkout time is 10am
